Ninian Park Primary School

How the Pupil Development Grant supports our pupils

The Pupil Development Grant helps our pupils reach their potential by supporting learning, wellbeing, attendance, family engagement and enrichment.

485 learners	**40.7%** of learners are PDG eligible	**£318,500** PDG funding allocation	Statement published: 1 April 2026	Review date: 30 March 2027

Our PDG priorities

Learning and teaching
Quality-first teaching, curriculum enrichment and high expectations for every learner.

Language development
Developing talk, vocabulary and communication so every child can express and understand.

Additional support for learners with additional learning needs
Targeted support, personalised plans and inclusive provision.

Wellbeing and play
Mental health support, positive relationships and active, safe play.

Attendance
Building strong habits and removing barriers to good attendance.

Family learning and community links
Working together with families and partners to support learning and wellbeing.

Access to resources
Providing the right tools, tech and materials so everyone can succeed.

Enrichment
Trips, clubs, music, sport and creative opportunities to broaden horizons.

How the funding is allocated

- **Learning and teaching: £292,830**
- **Community-focused schools: £14,928.80**
- **Wider strategies: £16,665**

What this means for our families

- Support and ideas to help with learning at home.
- Access to resources and tools to support your child's learning.
- Help to support good attendance and remove barriers.
- Signposting to local services and support for families.
- Welcoming family learning opportunities and events throughout the year.
