

What could Tomorrow's World hold for us?

Year 5 Homework Bingo!

<p><u>Solar System Rap</u></p> <p>Make your own Solar System rap (look at the StoryBots one for a reminder). Make it nice and catchy to help people remember the order of the planets and some simple facts.</p>	<p><u>Astro Application</u></p> <p>Find out what qualities make a good astronaut then write a job application to describe why YOU are perfect for the job!</p>	<p><u>Music Lab</u></p> <p>Use some of the tools on Music Lab to make some space or alien themed music. Think about different repeating patterns and how you can represent the space theme. Post your link on Google Classroom or Seesaw.</p>	<p><u>Invention of the future</u></p> <p>Design a blueprint of a futuristic invention. Think about how technology could progress. Will your invention be to do with communication, or transport, games, or something completely different? Upload to Seesaw.</p>
<p><u>History of Space Travel</u></p> <p>Use the internet or books from your local library to find out all about the history of space travel and the space race. Create a timeline with all of the key events. Upload to Seesaw</p>	<p><u>Space Art</u></p> <p>Try drawing or painting your own solar system or a selection of planets. Think about the lighting from one direction! Upload photos to Seesaw.</p>	<p><u>Science at home</u></p> <p>Use baking soda, vinegar and a plastic bottle to make your own rocket. Find some instructions on the internet and see what you can create! Upload your photos to Seesaw. bit.ly/y5sodarocket</p>	<p><u>Deserted Planet...</u></p> <p>You have visited a new planet and now it is time to leave. You can leave behind a space capsule of 10 things for new visitors to represent our world and humanity. What are they?...</p>
<p><u>Maths skills</u></p> <p>Practise your CLIC and Learn Its using the files on Google Classroom. Check your answers and practise any that you get wrong. Let's get to the next level before the Summer Term!</p>	<p><u>Astronaut Bio</u></p> <p>Use the internet to research a famous astronaut. You could find out all about their first time in space and other interesting facts from their life. Upload a photo of your work to Seesaw.</p>	<p><u>Sustainable Planet</u></p> <p>What can we do to help the environment and make a change to keep our planet safe for the future? Make a poster with at least 3 ideas for things we can do to help protect our world.</p>	<p><u>'Diff'erent Days</u></p> <p>Use the internet to find futuristic pictures of buildings and travel method, and draw a picture of what you think Cardiff could look like 50 years from now. Write a short paragraph explaining your ideas. Example: bit.ly/FutureWales Upload to Seesaw or Google Classroom</p>

When you complete an activity, cross it out. Can you complete a row, column or even the whole grid?

Upload your work to Seesaw or Google Classroom so your teacher can give you Points! Have fun :-)
