Year 3 Autumn

How does the past shape the present?

Homework Menu

Family Timeline

Make a timeline of your family. Start with the oldest person and the year they were born and end with the youngest person. You can add pictures or photos and interesting facts and events too.

Interview

Interview your grandparents or someone who is older than your mum or dad. What changes have they seen since they were little? Do they use different technology to do things now? Is the way they shop, travel, holiday, relax different to when they were a child.

You can use the voice record or video tools on your Seesaw or record it on paper using your writing skills.

The Ancient Egyptians

Use a cardboard box to make an ancient Egyptian scene. You will need to do some research first.

The Victorian Era

1.Use your research and writing skills to make a **Poster** about The Great Exhibition.

Remember to include a bold title, pictures and information about Victorian inventions.

2. **Bake a Victoria Sponge** – weigh out the ingredients. Award yourself a mark out of 10 and say why. Take a photograph and upload it to Seesaw.

The Stone Age

1.People in the stone age counted by making marks. **Make a tally** of your toys and books or clothes you have at home.

Tally	Frequency
𝍸	2
𝍸 𝍸 |||	8
𝍸 𝍸 |	11

2.Make a list of animals that existed in the Stone Age. Make sketches of them and add some interesting facts.
