

Go on the BBC Weather website and record the daily weather for each day. Which day was the warmest and coldest day?

Watch the video:

Kids Yoga Adventure with Bari: "Down by the sea" on YouTube

<https://youtu.be/7aKOAI5-Xns>

Just Dance Pirate dancing

https://www.youtube.com/watch?v=oe_HDfdmnaM

Then film yourself having a go at doing different ocean animal yoga poses and pirate dancing, upload it on Seesaw. Which one was the trickiest and easiest/favourite dance move?

Design and create an ocean themed piece of artwork. You can draw, colour, paint or stick things.

Reflect on your work:

What do you like about your work?

What was tricky to do?

What would you do differently next time?

Year 2 Spring Term Homework: Can the oceans be ruled?

Use the internet to research and find out 3 ocean facts. Remember facts are things that are true and not made up. You can use Kiddle search.

Visit the library with your parent and read stories or information books about the ocean and animals that live there.

You can also research online

<https://kids.kiddle.co/Piracy>

<https://www.dkfindout.com/uk/history/pirates/>

Draw a picture from your story or book and write some sentences about what happened or what you learnt.

Go on a walk to the park, collect leaves, sticks and stones to use to create a piece of natural artwork of an ocean animal.

Look through your Beat That! And CLIC papers and practice answering the questions you find a challenge. Can you beat your last score?

Enjoy the sunshine and go for a bike ride, walk or play in the park with your family.
