

Gather family photos. Ask your parents to tell you about them. Upload them to Seesaw and add information about the photos to the Seesaw slide.

Tell us about your family traditions and your culture. What is important to your family?

Talk to the oldest member of your family about their memories of their childhood. Make a fact sheet about it. Make sure you know what year this family member was 8 and 9 years old.

Use google earth/maps to find a map of where some of your family members are from.

Why am I here?

Think about a country that you have or would like to visit or live in. Find out facts about the weather, culture, animals.

Create a recipe for a family meal. What were your parents'/grandparents' favourite food growing up? Make it at home and taste it for yourself.

Create questions about how different living in Cardiff is to another country.

Draw a family tree, starting with your grandparents.

What did your parents wear to school? Draw a picture of what they would have looked like when they were your age.
