

# Earth Day Flyer

Earth Day is an important celebration for all of us! It is a great day to remember our love for our planet and our responsibility to take good care of the Earth. Create a flyer to post in areas of your school (with permission of your teacher) or even in areas of your community (with adult guidance). Use your flyer to persuade people to celebrate Earth Day by committing to taking better care of the Earth and making changes to benefit the Earth. Make sure to include persuasive words and eye-catching illustrations.
